Commissioner for Patents

1. The information disclosure statement (IDS) submitted on 4/27/2009 was filed after the mailing date of the Notice of Allowance on 4/41/2009. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.
2. The information disclosure statement filed 4/27/2009 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document. The Examiner notes that submission of an English language abstract of a reference may fulfill the requirement for a concise explanation of relevance, however, it is not a legible copy of the foreign patent itself. Accordingly, lined through references JP-06274605, JP-09016463, and JP-05189281 have not been considered.
